Reaction to HHS Contraception Regulations Compromise

The Diocese of Charlotte is going to have to take a wait-and-see attitude concerning its reaction to the announcement today of a compromise by President Barack Obama as it relates to health care coverage of contraception.

The Diocese of Charlotte, like many Catholic institutions, is self-insured.

While there has been openness on the part of the federal government to respond to the concerns expressed by the people of the diocese, we must reserve judgment until we have details on the specifics of today's announcement.

The Most Reverend Peter J. Jugis, Bishop of Charlotte
